## **STUDENTS WHO HAVE COMPLETED INTRO PSYCH, WITH A CURRENT (Spring, 2015) ENROLLMENT IN STATISTICS**

### **GROUP A**

I have completed Intro Psych here at UW\* (or received credit for Intro Psych through the AP or IB exam) and am currently enrolled in statistics. Can I enroll in Psych 225 during my assigned enrollment time?

- a. If you earned an AB or better (or a score of a 5 on the AP Psych exam; 6 or better on the IB exam) and you have a CURRENT enrollment in statistics and wish to enroll in Psych 225 for the next semester, you will be able to register for Psych 225 during the regular enrollment time.

**Scenario:** It is the Fall term and Student A received an AB in intro psych and is currently enrolled in an acceptable statistics class. Her enrollment date for the Spring semester is November 11. Because she earned an AB or better in Intro Psych, she will be allowed to enroll in Psych 225 even though she has not yet completed statistics.

- b. If you earned a B or lower in Intro Psych (4 on the AP Psych exam, 5 or lower on the IB exam) you will need to COMPLETE an acceptable stats class before you will be allowed to enroll in Psych 225. Refer to the **REGISTRATION RE-OPENING SCHEDULE BELOW FOR SPRING ONLY.**

**Scenario:** It is Fall, 2015 and Student B received a B in intro psych and is currently enrolled in a acceptable statistics class. For example, her enrollment date is also November 11, 2015. Because she did not earn an AB or better in Intro Psych, she will not be able to register for Psych 225 on her enrollment date. She will need to WAIT until she has completed statistics AND meet the 2.75 rule.

**\*IF YOU COMPLETED INTRO PSYCH AT ANOTHER COLLEGE OR UNIVERSITY, YOU MUST CONTACT A PSYCHOLOGY ADVISOR ([advisor@psych.wisc.edu](mailto:advisor@psych.wisc.edu)) ABOUT YOUR GRADE SO YOU WILL BE ELIGIBLE TO REGISTER DURING YOUR ENROLLMENT TIME.**

**Useful information:** Registration for Psych 225 will remain open until the Week 14 each semester. Because instructors do not complete final grades on the same day, we will close registration for Psych 225 and will reopen sections with available seats once final grades have been posted for all courses. Students will be given priority registration based on their credit standing (Students are classified by year according to the number of credits and grade points they

have earned: Freshman: less than 24 credits; Sophomore: at least 24 credits; Junior: at least 54 credits; Senior: at least 86 credits). In other words, Seniors will be allowed to enroll first, followed by Juniors, Sophomores, and Freshmen. Please refer to the schedule below.

**REGISTRATION RE-OPENING SCHEDULE FOR SPRING, 2016**

January 4: Senior standing at 8 AM

January 5: Seniors, Juniors at 8 AM

January 6: All students at 8 AM
