

First Year Project Spring Meeting

The Mentoring Committee must meet with the student before the ending of the spring semester in the student's first year to provide feedback on the design and feasibility of the project, as well as to assess progress on the project. **The final paper will be due one week prior to the symposium.**

Please complete this form on the date of the spring meeting and return to the Graduate Program Coordinator by May 10th.

My Committee and I met and held a spring meeting on the date of / / .
