

PSYCHOLOGY MAJOR REQUIREMENTS

MAJOR DECLARATION and ADVISING

_____ Students can declare the major ONLINE, after reviewing major information on our Psychology Advising Canvas course site, OR by attending an on-campus, Psychology Major Declaration Workshop. **Intro Psychology must be successfully completed prior to declaration.** Directions for how to sign-up for the Canvas course or a major declaration workshop are found at: psych.wisc.edu > **Undergraduate Program > Major > Requirements.** Declared Psychology majors may schedule advising appointments with one of the Undergraduate Psychology Advisors.

FOUNDATION COURSES

These courses provide a grounding in basic psychological facts and an understanding of the methodologies used to produce those facts. **Students are strongly encouraged to complete Intro Psych and a Breadth course (see below) BEFORE taking statistics.**

_____ **Introduction to Psychology**, Psych 202. GPA Requirement: ≥ 2.0

_____ **Basic Statistics for Psychology**, Psych 210.

Prerequisite: Must have completed QR-A and Introduction to Psychology.

Possible substitutions include: Statistics 371 or Soc 360. GPA Requirement: ≥ 2.0

_____ **Research Methods**, Psych 225.

Prerequisite: Must have completed Comm-A; must earn a grade of C or better in Introduction to Psychology AND Statistics.

GPA Requirement: ≥ 2.0

_____ **Biology**: Students may choose from one of four Biology Paths: Zoology 101 AND 102; OR Zoology 151; OR Biocore 381-384 OR IB higher level biology exam score of 4 or better. GPA Requirement: ≥ 2.0 in each course.

BREADTH COURSES

These courses are meant to familiarize students with the breadth of psychology. Choose *THREE* courses from *THREE DIFFERENT TOPIC GROUPS* listed below. **Students are strongly encouraged to take a Breadth course BEFORE taking statistics.**
